

GM Floki (GMFLOKI) The Ultimate Mix of Culture and Memes (Whitepaper)

GMFLOKI is on a mission to take the community to Mars with a generous rewards and giveaway system to its loyal community. GMFLOKI is a new BSC meme and rewards token, it is fully decentralized and dedicated to bring cryptocurrency to the mainstream in a fair, fully transparent, community guided way. GMFLOKI is in it for the long haul and is built for the community with GMFLOKI rewards from every transaction for all holders and regular GMFLOKI giveaways for lucky holders, supporting the entire GMFLOKI ecosystem.

GMFLOKI is a 100% community funded project. Our team uses their GMFLOKI rewards to continually fund new marketing initiatives, contests & giveaways. Members will be kept up to date with our community guided current & future marketing plans by our active dev team.

More details on GMFLOKI KINGDOM

GMFLOKI Kingdom is a player vs player (or player vs computer) game in which people can battle, trade, complete quests to earn GMFLOKI, customize their NFT avatars and increase their experience in available skills across different kingdoms in the game. Keep your eyes peeled on more information coming soon...

Tokenomics

- 2% Added to Liquidity
- 2% GmFloki Holders
- 6% Developer/Marketing

Rewards

All holders of GmFloki are automatically rewarded with GmFloki tokens as transactions take place.

Hold GmFloki and watch our GmFloki grow passively. The bigger we grow, the more profits we all make, ultimately taking the community to Mars!

On top of passive GmFloki income from all transactions, regular GmFloki giveaways will be given out to lucky holders at regular market cap millstone intervals to thank our loyal community members! Holders will need to have held GMFLOKI for 2 weeks prior to the market cap milestones and invested a minimum \$100 to be eligible. Our first interval at just a \$5m market cap there will be a huge \$10,000 GmFloki giveaway!
